

PRIMARY SCHOOL PE AND SPORT PREMIUM FUNDING

At Stanton School we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School PE and Sports Premium Funding will enable us to continue and extend our provision through employing additional sports professionals, entering more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

Primary School PE and Sport Funding

What is the PE and Sport Premium?

The government is providing substantial primary school PE and sport funding per annum. The funding is being provided by the Secretary of State for Education and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. In October 2020 the Primary PE and Sport Premium doubled so each school will receive £16,000 plus an extra £10 per child each year based on the number of children in years 3 to 6. At Stanton School we received £19,010 for the 2024-2025 academic year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will have to spend the PE and sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

How to use PE and Sport Premium:

- provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school
- provide additional swimming provision targeted to pupils not able to meet the swimming requirements of the national curriculum
- embed physical activity into the school day through active travel to and from school
- encourage active play during break times and lunchtimes
- increase participation in the [School Games](#)
- provide opportunities for children to develop leadership skills

PRIMARY SCHOOL PE AND SPORT PREMIUM FUNDING 2024-2025

Primary School Sport Grant			
Total number of children on roll			301
Lump sum			£16,000
Amount SG received per child (£10x301)			£3,010
Total amount of PPSG received (inc £1,997.99 b/f)			£21,007.99
Summary PPSG 2024-2025			
Objectives of spending PPSG: <ul style="list-style-type: none"> To improve the overall quality of provision of PESSPA at Stanton School To broaden the sporting opportunities and experiences available to children To raise the profile of PESSPA across the school as a tool for whole school improvement To increase participation in competitive sport The engagement of all children in regular physical activity 			
Report of PPSG spending by item/project 2024-2025			
Item/Project	Cost	Objectives	Outcomes
Breakfast Club (Physical Activity)	£3,229.49	To deliver a range of physical activities as part of the breakfast club provision, with the aim of increasing the number of children participating in daily physical activity.	There has been a continued increase in the number of children becoming more engaged and confident in being physically active. This growing confidence is positively influencing their overall approach to leading an active and healthy lifestyle. More children are now choosing to take part in physical activities before the school day begins.
PESSPA Learning Resources and Equipment	£3,156.50	<p>To ensure that staff are equipped to provide safe and inclusive opportunities for all children.</p> <p>To promote sporting values and increase the number of opportunities to participate in competitive sport during 'We Are Athletes Week'.</p> <p>To ensure children were fully equipped for participating in inter, intra-</p>	<p>Children have been able to participate in a range of new and inclusive sports during PE and +PE lessons. This has enabled staff to identify and target children who require additional support to achieve in PESSPA activities.</p> <p>The dedicated week highlighted how important sport is for children's mental and physical health and demonstrated commitment to the government's</p>

		competitions and other enrichment opportunities.	recommendation. Children developed communication skills, confidence and self-esteem as they take on the responsibility of assisting a range of games.
PESSPA Staff Mentor	£9,000	To provide the PESSPA team with regular CPD and mentoring opportunities throughout the year, supporting their professional growth and enhancing the quality, confidence, and consistency of PESSPA delivery across the school.	Regular CPD and mentoring have significantly increased the confidence and capability of the PESSPA team. Team members now demonstrate a stronger understanding of data analysis, which has improved the quality of PE and extra-curricular commentaries. Additionally, staff feel more confident in leading curriculum development, including creating subject development plans and curriculum overviews.
External CPD	£950	To provide PESSPA staff with external opportunities to further their development. To increase the number of PESSPA staffed qualified to lead swimming lessons.	This has significantly enhanced the staff member's knowledge and confidence in delivering the National Curriculum for KS2 Swimming, ensuring high-quality, progressive swimming instruction for all pupils. More pupils, including those with additional needs, can access tailored and structured swimming lessons. It has increased participation and overall progress.
Holiday Spring and Summer Sports and Outdoor Camps	£3270.50	To provide outdoor and physical activity holiday camps that offer extended opportunities for children to engage in a healthy lifestyle through daily physical activity and healthy eating. To increase the number of funded places available to ensure wider access and participation.	Children who have attended the holiday camps have developed a stronger understanding of what it means to lead an active and healthy lifestyle, particularly through daily exercise and making healthier food choices. There has been a noticeable increase in interest in physical activities, including gardening and outdoor games. Additionally, the availability of funded places has enabled children who had not previously attended to take part, making the provision more inclusive and accessible.

Extra-Curriculum Clubs	£1,143.48	<p>To provide additional opportunities for children to engage in a wider range of sport and physical activities.</p> <p>To provide a range of opportunities for children to participate in inter-competition and events.</p>	<p>Delivering a wider range of sports clubs, including new activities suggested through pupil voice, has helped narrow the gap between male and female participation, provided children with valuable experiences in inter-school competition and sporting events, and significantly raised the profile of PESSPA both within the school and the wider local community.</p>
Leadership Skills Foundation – Sports Leaders PlayMaker Award	£209	<p>To deliver the PlayMaker Award as a foundation for developing leadership skills in pupils, enabling them to organise and lead small games and activities within school.</p>	<p>The PlayMaker Award has empowered pupils to develop key leadership skills such as communication, organisation, and teamwork. As a result, learners have demonstrated increased confidence and self-esteem while successfully taking on responsibilities to support and lead their peers and younger children. The inclusive nature of the programme has ensured that all pupils, regardless of prior experience, have had the opportunity to engage with and apply leadership in meaningful, interest-led contexts.</p>
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of atleast 25 metres?			27%
What percentage of your current Year 6 cohort use a range of strokes effectively			27%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?			36%

Summary	
Total PPSG received (inc b/f)	£21,007.99
Total PPSG expenditure	£20,958.97
PPG remaining	£49.02
