

CURRICULUM NEWSLETTER

**STANTON
SCHOOL**

YEAR 6 AUTUMN

CORE SUBJECTS

Reading

Inspired by a visit to Harry Potter Studios, children will explore themes of friendship and good overcoming evil through recounts, diaries and persuasive speeches.

Writing

In our Harry Potter topic, the children will create engaging recounts, imaginative diary entries and persuasive speeches. Developing vocabulary, creativity and audience awareness.

Science

Through classifying living things and studying fossils, learners will explore evolution and discover how plants and animals have adapted over time.

Geography

Using atlases and globes, pupils will learn how longitude and latitude help locate places and determine time zones.

History

By investigating historical evidence, learners will explore Maya civilisation, including its location, inventions, beliefs and eventual decline.

Art

Inspired by the Japanese manga style of comics and cartooning, children will create expressive portraits and artwork with distinctive features.

PSHE

The children will develop skills to manage transitions and support wellbeing, while recognising online financial risks, advertising and influences on spending.

PE

We will develop coordination, balance and fitness through hockey and gymnastics. They will improve their performing skills in ceremonial dance.

DT

Using a range of sewing techniques and stitches, learners will design and make a festive gonn while developing practical textile skills.

RE

Through discussion and debate, the children will explore how beliefs about life after death and the influence of others can shape behaviour.

Computing

By designing simple embedded systems, learners will discover how computers use inputs, outputs and stored programs while developing logical thinking.

Music

Through singing, composing and performing, the children will explore melody, rhythm and jazz styles, including creating songs and playing the glockenspiel.

French

The children will learn a range of body parts and adjectives. They will be able to design and describe monster pets in French.
